

when
you
feel me
in your
heart,

just look up.
i will be right there.

If I could have you back for just one day
We would run and we would play
Take a long walk in the park
Laugh and sing and dance and bark
I'd hold you close and scratch your head
As you lay sleeping in your bed
And when it's time to say goodbye
I'd kiss your face, try not to cry
Tell you that I love you so
It would be so hard to let you go
I'm standing here alone and sad
Missing the best friend I've ever had
Wishing on a pale-lit moon
And praying that I'll see you soon

Remembrances

Prayer:

“We are grateful for Chico and Clyde and the love they brought to us and their families on earth. They are woven into the tapestries of our lives and we give thanks for their essences and all those they touched. Chico and Clyde, be free of this earthly body as you reunite with your spiritual pack. Go in peace and be at one with all there is.

Amen.”
